PREBACIVANJE PROGRAMA NA PLC

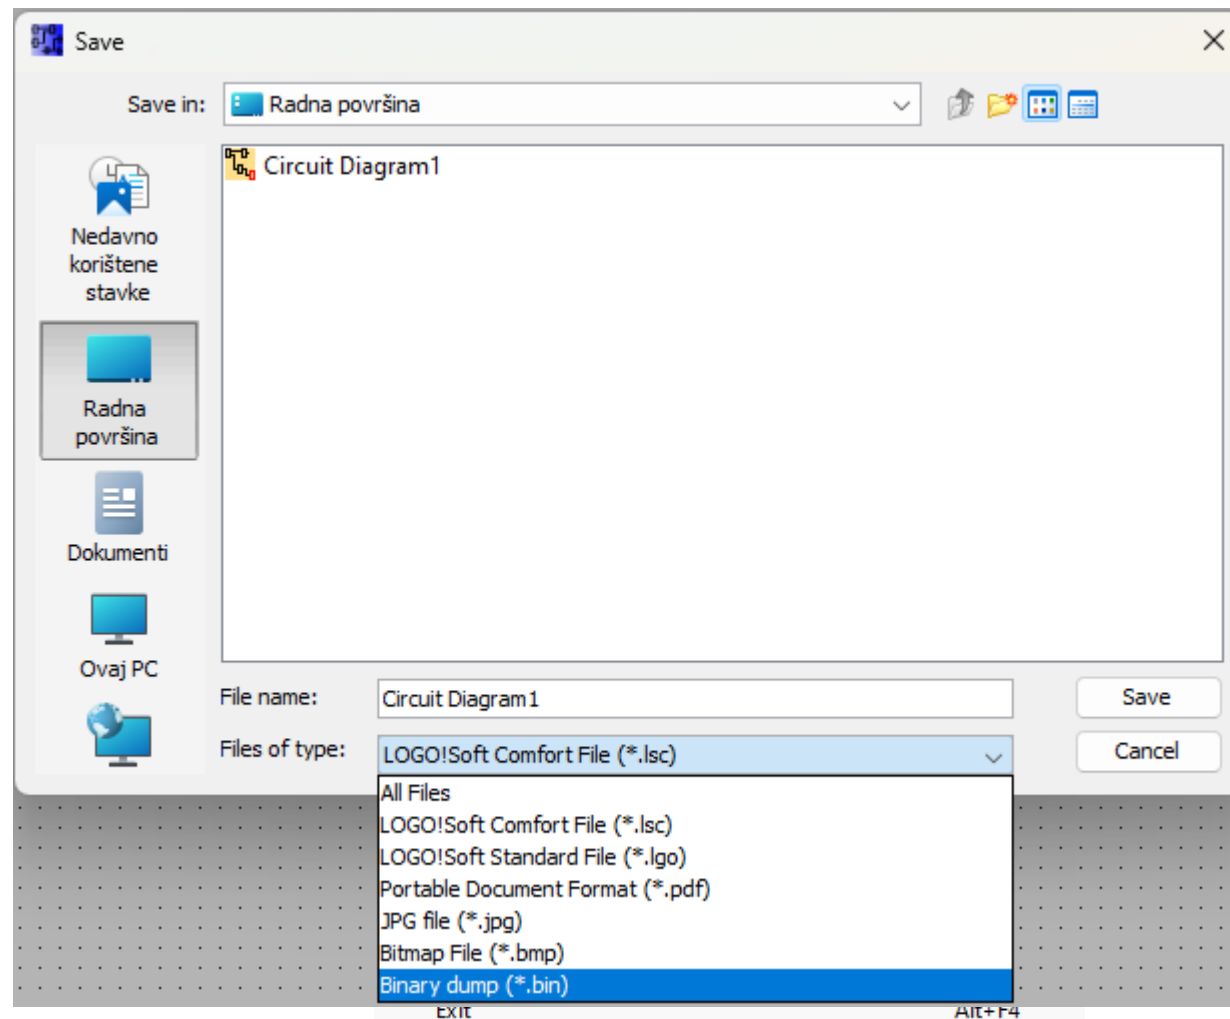

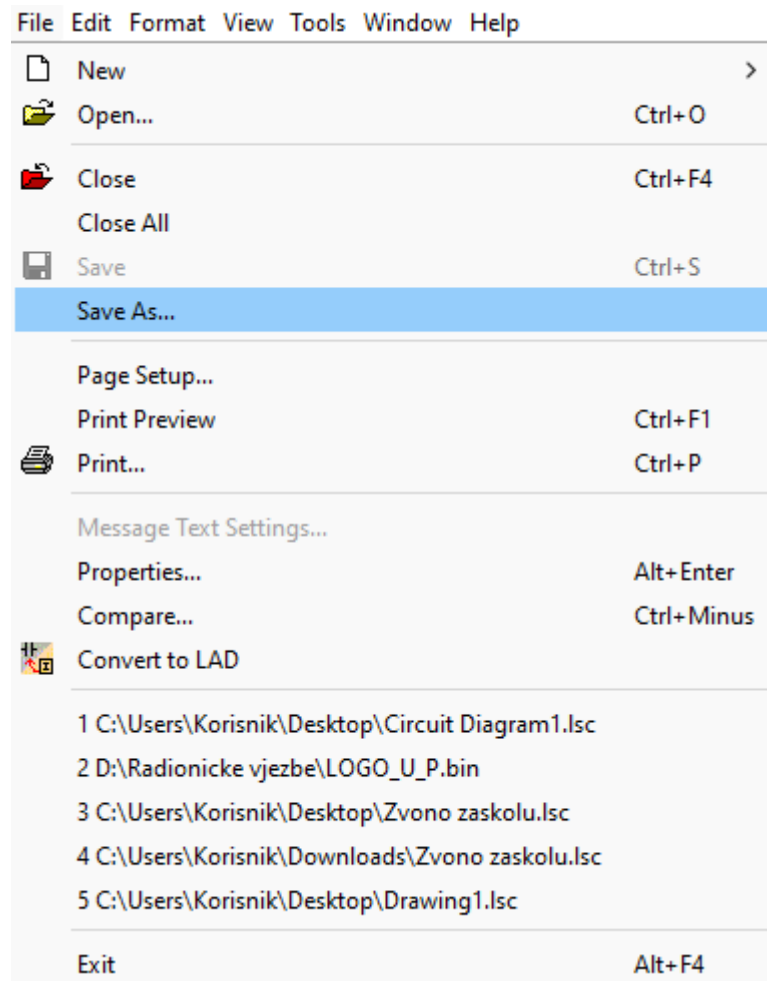

Izradio: Tino Krelja

Spremanje programa

Nakon što smo postavili i spojili blokove u FBD-u možemo spremiti odrađenu vježbu i pripremiti je za prebacivanje na PLC

Spremanje programa „Binari dump (*.bin)”

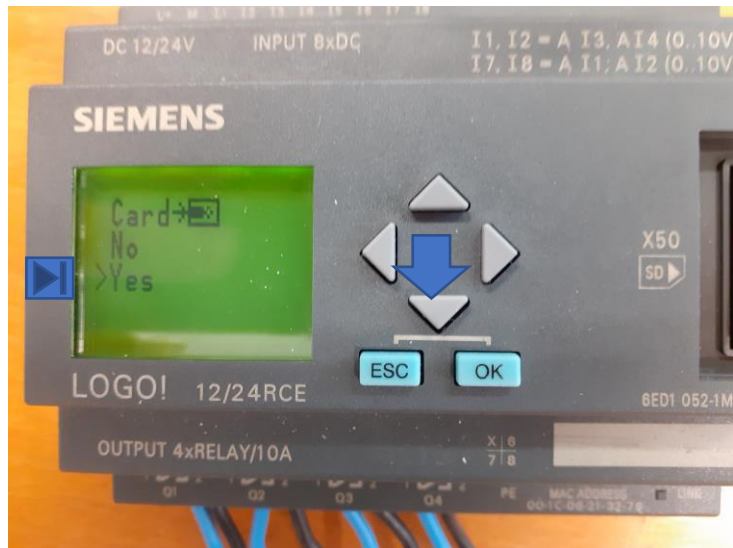

Prebacivanje programa na SD

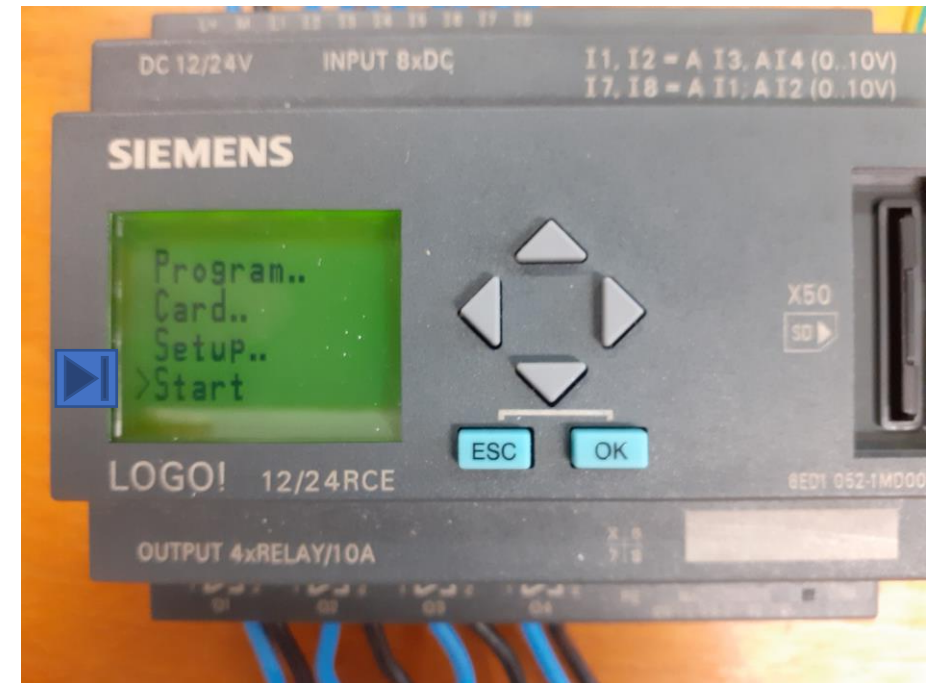

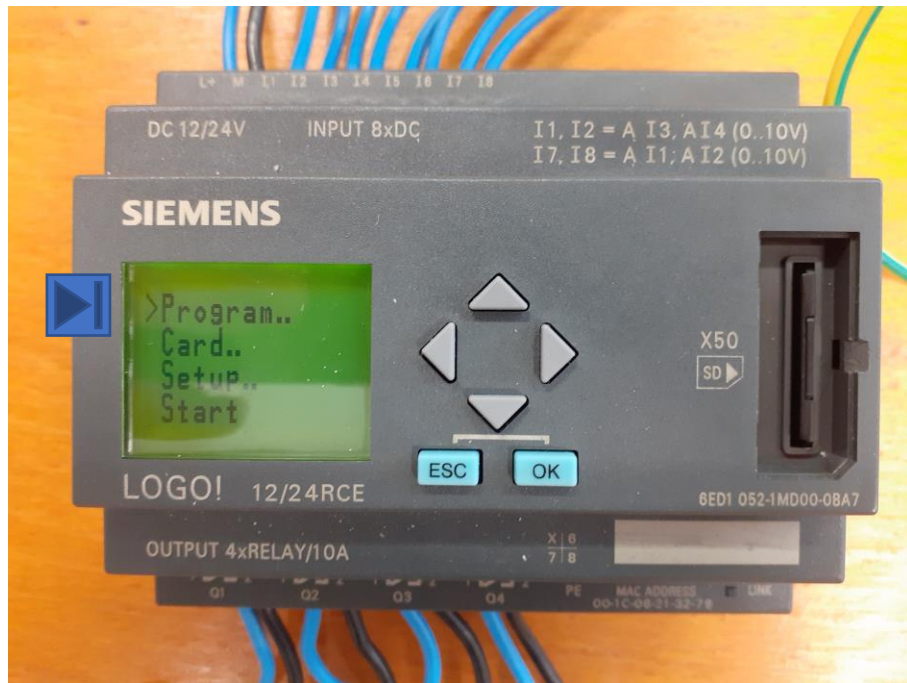

- Spremljeni program potrebno je prebaciti na memorijsku karticu
- Prilikom prebacivanja, na kartici je samo program spremljen u **.bin** formatu, u protivnom PLC je neće prepoznati
